MEMORANDUM FOR : Project Security Officer
THRU : Project Contracting Officer
SUBJECT : Initiation of Clearance Approval for
General Precision Laboratories Employees

1. As a result of a meeting held 1 March 1956, the Project Director desires to have additional technical, and contractual, discussions initiated with General Precision Laboratories (GPL), Pleasantville, New York. The undersigned will contact GPL in the near future for this purpose.

2. The item concerned is the GPL "Radar" navigation system. At present two systems are to be procured, along with spares, test equipment and engineering and technical services. Additional items may be required at a later date if flight tests are successful.

3. This memorandum formalizes the verbal request for Project security approval of the following:
